PARADISE VALLEY SILVER TROWEL MASONIC LODGE NO. 29, F. & A.M., PHOENIX, AZ

The Final Push

My Dearest Brethren,

As we are entering the home stretch of the year, lots of things are happening all at once. Members of the leadership are preparing for ascension to their next chair, the treasurer and secretary are tirelessly working to set up for the next year, and you, the membership, should be thinking about what you would like to see from the Lodge in the next year. Your thoughts are always welcomed. If you have an idea that you would like to run by us, or would like to be a part of a committee, please come and see any of us. We would be happy to listen.

I would like to see some fun and excitement come back into the Lodge. I know that we have degrees, practices, and meetings. However, I feel like we need to have some kind of event which would bring everyone together, both brethren and families, where the real brotherhood can happen. Honestly, I have had quite a bit on my plate recently and haven't had the time to put much thought into it. I would appreciate any input from you, though the event will probably not be able

to happen until the next Masonic year.

Speaking of next year, I hope that you have thought about any opportunity to jump into the line as a Steward, for those of you who have been members for a time but haven't held a position. We will have two steward positions open next year, as of right now. The stewards are the opportunity for a brother to express his interest in becoming a part of the leadership, show his strengths, and learn how to run a lodge. It is a position of great privilege and respect. I hope that if you have any aspirations of joining the line, you will talk to any of the pedestal officers. They will point you in the right direction and answer any questions you may have.

Always take an opportunity to reflect on your time in Freemasonry. Remember what drove you to complete your degrees. From there, rederive your passions and help us bring our ancient institution into the future. I appreciate each and every one of you. Let's keep pushing toward the finish line.

Sincerely & Fraternally,
Timothy M. Dougherty, P.M.

The Beauty in Brotherly Love

Masonry unites men of every country, city, state and opinion and causes true friendships to exist among those who might otherwise have

remained at a perpetual distance.

We are taught to avoid stereotypes by seeking truth and being compassionate. We are a taught to regard the whole human species as one family, the high and low, rich and the poor.

As a master mason I have traveled west to east and back again. I have witnessed brotherly love throughout this country.

With each experience I am rejuvenated in the human spirit. This past summer was no different. During my travels I had a misfortunate event happen. While driving my motorcycle through the Smokey Mountains in Tennessee I broke Down. To make a long story short; one phone call, one mason, one problem fixed. Soon after, I was back on the road where I witnessed more men embracing the trowel, and making use of it. This is truly a beautiful thing.

Brethren we've all been squarred
So we all are true
On the level we meet
So smile the next time I see you

Richard Carlile and the Peterloo Massacre

by David Harrison posted July 21, 2019

Today is the 200th anniversary of the Peterloo Massacre; a tragedy that became a seismic event in British social history. The gathering at St. Peter's Fields in Manchester witnessed a crowd of thousands of working men and women assembling to hear speeches from radical commentators of the time. One of those speakers was to be Richard Carlile.

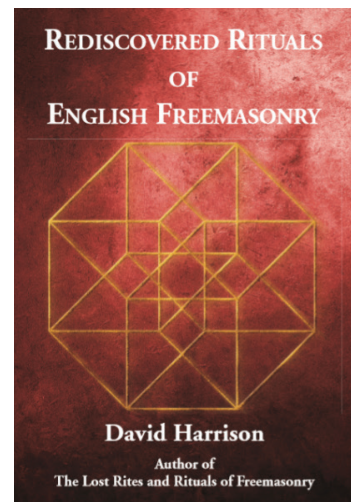

Carlile was about to speak when the Manchester Yeomanry stormed into the crowd, killing an estimated 15-20 people, and injuring many more. The panic and confusion swept through the people as the Yeomanry indiscriminantly rode into the crowd. Carlile went on to report about the massacre in his journal *The Republican*, which led to Carlile being jailed for blasphemy, blasphemous libel and sedition.

It was while he languished in jail that he was to write his Masonic expose, which was

originally published in *The Republican*. This expose went on to become *The Manual of Freemasonry*, a book that can still be found in Masonic Hall libraries around England and Wales. My latest book, out soon entitled *Rediscovered Rituals of English Freemasonry* will detail the life of Carlile and discuss the high degree rituals displayed in *The Manual*, presenting for the first time an examination of the complete Carlile rituals.

STARS OF PARADISE #56 OES

I just know that one of these days this month it is going to get cooler here in Phoenix. I hope that everyone had a beautiful summer break and all will return to our meetings refreshed and ready to make our new year one of renewed activity for our beloved Order. Our first fundraiser was on Thursday, September 12th, with an ice cream social and pot luck dinner. Donations were appreciated for our V. A. Moms and their babies.

Our Secretary, Kathy Kelley is currently working on a new roster for our Chapter. Hopefully you have provided her with any changes to your address, phone number, or e-mail.

It was with pleasure that Jean Patterson and I served as pro tem officers for Glendale Chapter on Sept 4, during their first meeting of the season.

On September 5th, with much affection and sadness, our chapter bid goodbye to our beloved Sister Betty Sweat, who was a Charter Member of Stars of Paradise Chapter #56. The Officers performed a service at the Shadow Mountain Mortuary, and the Sweat family hosted a reception and dinner at the PVST 29 Lodge. Both the mortuary and the Lodge were filled to capacity with those who loved and were blessed by knowing her. Our condolences to our Brother Leroy and the entire Sweat Family. To say that we will miss her, would be a gross understatement.

Dinner Night Out for October 15th, will be at Boston Market on Bell Rd., 5pm to possibly passed 8 pm. If we are having fun, come and join us.

SICKNESS & DISTRESS: Cards were sent to our Sister Marina Bender who suffered a stroke and is now in a rehab facility in Queen Creek. Marti McKidd, our District Instructor, has a couple of hairline fractures in her pelvis. Please keep Virginia Powell and Mary Wilke in your prayers for better health.

If anyone knows of a member needing cards or calls of encouragement, please contact our Chairman, Ellie Aldrin, at 602-996-8197 or kapolka1023@gmail.com.

Fraternally,
Virginia Valente
